A Message from Fr. Jose,

Faith - what is faith?

Faith is the ability to believe without seeing. To have faith in God means to believe that God will take care of every single one of our needs when we allow Him to do so.

One could say that faith gives us the opportunity to move forward in our lives with ease knowing that God is in charge, and that we are not God.

Often times we think we think we are God and we want to be in control of ourselves and others. That should not be the case when we entrust everything to God. Let us do our best to continue to trust in God who is loving and forgiving and who wants the best for us and wants nothing but our good.

May you continue to grow your faith in God and do your best to know, love, and serve Him.

**Blessings,
Fr José**

Mensaje de Padre Jose,

Fe - ¿Qué es la fe?

La fe es la capacidad de creer sin ver. Tener fe en Dios significa creer que Dios se hará cargo de cada una de nuestras necesidades cuando se lo permitamos.

Se podría decir que la fe nos da la oportunidad de avanzar en nuestras vidas con tranquilidad sabiendo que Dios está a cargo y que nosotros no somos Dios.

Muchas veces pensamos que somos Dios y queremos tener el control de nosotros mismos y de los demás. Ese no debería ser el caso cuando confiamos todo a Dios. Hagamos todo lo posible para continuar confiando en Dios que es amoroso y perdonador y que quiere lo mejor para nosotros y no quiere nada más que nuestro bien.

Que continúe aumentando su fe en Dios y haga todo lo posible por conocerlo, amarlo y servirlo.

**bendiciones,
Padre José**
